Food on Campus

» Listen

On the campus of the Europa-Universität Flensburg students are spoiled for choice. The Studentenwerk Schleswig-Holstein operates the cafeteria which is located centrally on campus and is very popular with hungry students. In the main building (HG) and the extension building (EB), the Campus Suite Café offers delicious snacks.

Cafeteria (Mensa)

The Studentenwerk Schleswig-Holstein provides students with warm meals at three locations.

In the central cafeteria, which provides a bright ambience throughout the day thanks to its open design, students can find a sumptuous salad bar and meals of the day. There is also a café bar, where students can get ready for their next lecture with a cup of coffee, tea or an excellent cappuccino.

In line with the Studentenwerk Schleswig-Holstein's motto "to make studying work", the cafeteria offers a daily "mensaVital" meal, using a nutritionally balanced composition of ingredients.

Two more cafeterias are located in the buildings of the University of Applied Sciences (B-Building) and in the branch office of the Europa-Universität Flensburg the Munketoft Building.

Campus Suite Café

On the Europa-Universität Flensburg's campus you will find not only one, but two Campus Suite Cafés, in the main building and in the extension building students and university staff can purchase coffee, fresh juices, breakfast, lunch, snacks and home-baked muffins all day. The first lecture of the day rarely begins without a trip to Campus Suite first.
