What is the ZIMT-Servicedesk?

The ZIMT-Servicedesk is Europa-Universität Flensburg's central point of contact for all questions and problems relating to information and media technology.

If problems cannot be solved immediately or directly on-site, a specialist of the ZIMT-Servicedesk will be available to deal with your problem.

Help and services

Computer problems (software and hardware)

- › Amongst other things, we provide assistance and advice in connection with WLAN-related problems
- › We will either provide direct support or, if necessary, pass your issue on to our colleagues in the back office.

Maintenance of the technical equipment

- › We provide the maintenance of the technical equipment of the lecture rooms.
- › Projectors, interactive whiteboards, audio equipment, cables, and overhead projectors
- › Help with and advice on the use of Audio and/or Video equipment

We provide...

- › Printer Cartridges and cartridges (you can also place orders with us)
- › IT-small parts/PC-accessories (keyboards, mice, USB sticks etc.)
- › Various cables and adapters (such as VGA, Audio, USB, network/LAN/patch cables)

Rental

- › Beamer
- › Notebooks (only official short-term loan)
- › Speakers, chargers, power supplies (only official short-term loan)

Other Services

- › Copy credit for KIM copier (only EUF members with DOZ account)
- › Recording of events and programs

No support of private devices

Due to capacity reasons we cannot offer support for private devices and software.
