## Reevaluating the Teaching of English for International Communication

» Listen

*This action research project explores how collegiate-level English courses might be modified to better prepare students to use English as a lingua franca in international communication situations beyond the classroom.*

### Keywords

English as a Lingua Franca (ELF), English Language Teaching (ELT)

### Duration

01/01/2013 - Until further notice

### University institution

[Department of English and American Studies](#)
