

"In principle, organizations consist of nothing else than people working with them.

In this respect, personnel is not simply another "production factor", but to some extent the real "substance" of an organization."

Studies and teaching

 Listen

Dear students,

On the following pages, we inform you about the teaching sessions offered by the Chair of "Human Resources & Organization".

I am looking forward to our collaboration – do not hesitate to remain curious.

Prof. Dr. T. Behrends
