Welcome to the Department of Technology and its Didactics

In the [Department of Technology and its Didactics](#) of the Institute for Mathematical, Science and Technical Education at Europa-Universität Flensburg, there is the possibility of completing a study program required for a future technical teacher profession at schools offering primary and secondary level I courses. Europa-Universität Flensburg is the only university throughout Schleswig-Holstein that offers its graduates an academic teacher training in the subject of engineering at schools of general education.
