## Can I apply? Admission Requirements

You can [apply](#) if you

- › have an above-average **bachelor** degree in Engineering (at least four academic years not older than 6 years) and a professional experience of at least two years in a field related to the course focus (internship will not be considered),
- › can prove your proficiency in the English language by submitting an internationally recognized language certificate (TOEFL iBT Score 80, IELTS Band 6) Note: A certificate that English was language of instruction is not sufficient for admission. Native speakers of English are exempted.

Since we aim to ensure 50% of our students are women, female applicants are particularly encouraged to apply. Applicants should note that the selection procedure itself rests upon an assessment of the academic qualification, professional background and motivation of each student, regardless of gender.
