- › a wide variety of classes
- › a large fitness center

### The timetable

The program includes 80 different classes, with 200 hours of courses per week, which are taught by a team of 117 trainers.

The program covers a wide variety of aerobics classes, from elegant fencing up to relaxing yoga and leaves little to be desired.

The Europa-Universität Flensburg is the only university in Germany with a disc golf field on campus. Being the northernmost university in Germany, leisure activities such as kite surfing, surfing and windsurfing are also offered!
