General Information/Imprint

The Department of Entrepreneurship and Relationship Management at the University of Southern Denmark and the International Institute of Management at the Europa-Universität Flensburg have established a Joint Research Paper Series to further institutionalise the long-standing relationships between the two departments that is reflected in joint teaching programmes as well as joint research activities. at the University of Southern Denmark and the International Institute of Management at the University of Flensburg have established a Joint Research Paper Series to further institutionalise the long-standing relationships between the two departments that is reflected in joint teaching programmes as well as joint research activities. The aim of the joint series is to establish a platform to further foster and develop this cooperation in the border region of Sønderjylland/Schleswig.

The Joint Research Paper Series is open to contributions from the field of business, regional economics, social sciences, linguistics and culture studies as well as other topics researched by colleagues from both institutions.

For more details with regard to our research and teaching activities please see the websites of [SDU](#) and [IIM](#).

Papers submitted to the Paper Series should be formatted according to the Academy of Management Journal [Style Guide for Authors](#). Further, the papers if possible should be in English and contain a Danish and a German abstract as well as up to six relevant keywords.
