CampusFRIENDS - a buddy program without borders!

🔊 Listen

CampusFRIENDS (CF) is a buddy program between ProRef participants and EUF students.

The [ProRef program](#) supports refugees in their linguistic, methodological and cultural preparation for their studies in Flensburg. Participants of the one-year program are refugees from Syria, Yemen, Afghanistan, Iraq, Iran, Armenia and Turkey who are interested in studying (in Germany).

What is CampusFRIENDS about?

During the program round 2019/20 we want to bring together CampusTEAMS who are interested in topics and questions related to an EUF study program. Within these CampusTEAMS, exciting and sustainable projects in fields such as Europe, education, economy and environment are going to be developed.

In addition, individual CampusTANDEMS (or CampusTRIPLETS) can be formed between EUF students and participants in the ProRef programme. These intercultural CampusTANDEMS can be individually organised. Within the framework of these independently organised get-togethers, the ProRef participant should be introduced to the university and student life.

In the program round 2019/20 we plan regular cultural and social events so that all participants of CF can exchange ideas and get to know each other better. For example, we are planning intercultural theme evenings, a cooking event and joint excursions.

You are studying and want to get to know new cultures?

Everyone can participate, no matter if you are at the beginning of your studies or if you already know the campus inside out. If you are interested in showing a participant of the ProRef program the university and student life in Flensburg, then this is the place for you.

So show them what the campus has to offer and get to know another culture! You will receive an official confirmation of your social commitment.

You are a ProRef participant and would like to get to know university life?

Are you looking for a connection to EUF students and want to improve your language skills? Then join CampusFRIENDS!

This way you can get in touch with students before you start your studies and have them show you student life on and outside the campus.

Events 2019/2020

The introducing event will take place on October 9th from 4:30 to 6:30 pm in OSL 234.
