### Local Erasmus+ Initiatives (LEI)

» Listen

On this page you will find information about the Local Erasmus+ Initiatives (LEI). The programmes enable the easy and intercultural exchange of young people on campus, the Local Erasmus Initiative networks international and German/local students.

### LEI-Erasmus Adventure

The activities of LEI are varied: we offer international evenings and various other activities and events. Contacts are available both for Erasmus guest students and for students interested in the Erasmus+ programme and help with questions and student life.

If you already know your way around Flensburg? Then show a newcomer the city!

Show a student from abroad your Flensburg! You can plan your activities freely and loosely: Whether for a cup of coffee on campus or in the evening in your favourite pub. Show someone who just moved here, Flensburg's most beautiful sides! You

can get to know different cultures and languages at the same time.

Are you new to Flensburg and would like to get to know the city better?

Flensburg is not yet familiar to you and you would like to explore the best corners and places? Plan informal meetings with an old-established student, where you will not only get to know the city but also a new culture and language.

If you have any questions or are interested in participating in the LEI partner project, send an e-mail to Yona Kröger: [lei@uni-flensburg.de](mailto:lei@uni-flensburg.de)
