The CampusEngel provide help to all new students during their first weeks at Europa-Universität Flensburg, from mid August until the beginning of November.

They can assist with formalities upon arrival and help answer your questions regarding your registration at the university, classrooms, accommodation, placement tests, language courses, health insurance, opening a bank account, resident permit, child care, activities to do in Flensburg, etc.

The CampusEngel, is a team of both German and international students from different countries. They are all fluent in English and other languages in order to be able to support all new students to become familiar with our campus and Flensburg in general.

The CampusEngel are only available 12 weeks in the fall semester.
