Uni Host - Housing three different buddy programs

» Listen

On this page you will find information about the Local Erasmus+ Initiatives (LEI), Campus Friends and the Language Tandem. The programmes enable young people on campus to exchange ideas easily and interculturally. The offer is aimed at both German and international students as well as participants of the ProRef programme.

Campus Friends

The [CampusFRIENDS](#) program is specially designed for participants of the ProRef program and university students.

If you have any questions or are interested in joining CampusFRIENDS, send an e-mail to campusfriends@uni-flensburg.de or register using the registration form on the CampusFRIENDS page.

If you have any questions or are interested in joining CampusFRIENDS, send an e-mail to campusfriends@uni-flensburg.de or register using the registration form on the CampusFRIENDS page.

Local Erasmus+ Initiative (LEI)

The activities of LEI are varied: we offer international evenings and various other activities, contacts are available both for Erasmus guest students and for students interested in the Erasmus+ programme and help with questions of daily and student life.

If you have any questions or are interested in participating in the LEI partner project, send an e-mail to Yona Kröger: lei@uni-flensburg.de

Language Tandem

The language tandem is interesting for students who want to support each other as native speakers in language acquisition.

If you have any questions or are interested in joining the language tandem, send an e-mail to Anna Lambert: anna.lambert@uni-flensburg.de

Would you like to improve your foreign language skills?

The language tandem is interesting for you if you are looking for a native speaker to practice a language. At the same time you support someone to learn your first language. You can find more information on the language tandem's own page.
