English for employees (TaP)

» Listen

The free English course for TaP is formatted into three courses—a beginner course, an advanced course, and a conversation course. The courses are a mix of guided self-study and classroom work. Participants must recognize that some work outside of the classroom is necessary for their language learning to progress in a meaningful way. This program offers flexibility to participants through outside online work that is automatically marked for immediate feedback.

English for the office: TaP Beginners

| | |
|--------------------------------|----------------------|
| Lecture number | 042031b |
| Semester | Autumn semester 2019 |
| Type | Language Course |
