English for EUF employees

» Listen

Our free English course for all EUF employees is formatted into three courses

1. a beginner course
2. an advanced course, and
3. a conversation course.

The courses are a mix of guided self-study and classroom work. Participants must recognize that some work outside of the classroom is necessary for their language learning to progress in a meaningful way. This program offers flexibility to participants through outside online work that is automatically marked for immediate feedback.

We are looking forward to meeting you!
