TextLab! Academic writing course offerings

» Listen

The *TextLab!* team provides a range of courses, workshops and writing sessions to support students in the writing of academic texts in English and German.

All of the *TextLab!* course offerings are free of charge and available to students of Europa-Universität Flensburg, Hochschule Flensburg and Fachhochschule Kiel.

A joint course programme for Europa-Universität Flensburg and Hochschule Flensburg can be found on the right.

Evaluation of the *TextLab!* offerings has shown that participants:

- obtain good grades for their texts
- write with less stress
- have more enjoyment writing

What participants say:

- » "TextLab! is a great venue where you can ask any questions regarding your essays, research papers and even Bachelor or Master theses. It is worth visiting these classes!"
- » "It was useful for me to visit such kind of courses, I had never had something like this in the university of my country."
- » "Thank you very much, if such courses are available next semesters (especially the intensive week offerings), I will attend it!"
