## Unistarter

🔊 Listen

### The Unistarter Team

The Unistarter are students from higher semesters who volunteer to organize various programs to introduce new students to the student life at the Europa-Universität Flensburg. At the beginning of the Winter Semester, the Unistarter-Team welcomes all new students and accompanies them throughout Orientation Week.

The opening event is usually the welcoming of all new first semester students in the Flens-Arena, followed by a fair, in which all campus groups, like counseling services, student council and other student groups, get a chance to introduce themselves. The typical Unistarter events usually include a city treasure hunt, a pub crawl and the Unistarter parties.

Take advantage of the offer by students for students - it's worth it!

And if you enjoyed the program of the Unistarter, join the team next year!

The Unistarter-Team is made up of several groups. If you would like to contact them directly, please send an email to one of the following addresses:
