of "reconciliation" from the political side. The work situation has primarily been addressed up to now, whereas conditions and difficulties of the everyday **life** are being neglected. If employed people assume [...] -related measures are dominant. In contrast, any suggestions going beyond business and facilitating the duties of the daily **life** are underrepresented. In the meantime, there are various initiatives that supplement the operational approach by regional activities, such as e.g. the action platform beruf@familie.nrw. The idea of a family-oriented region has already been taken up by the Institute of Working **Life**
