Royer, S., Festing, M., Steffen, C., Brown, K., Burgess, J. & Waterhouse, J.: The Value Adding Web at **Work** - Developing a toolbox to analyse firm clusters, 2009. Listen [PDF - Download] Industry clusters have been studied for a long time from diverse perspectives. The results of this research have increased our understanding of knowledge flows in clusters, spillovers between cluster actors and regional development through clusters. However, there still remain deficits in knowledge about industry clusters and cluster development. A central gap in cluster research
