Student's Learning Activities (Mouchot and solar cooker) 1 Storytelling Teaching Model: http://science-story-telling.eu
Student's Learning Activities (Mouchot and solar cooker) Activity 1 You will watch a video with narration or listen to a story from your teacher about Augustin Mouchot and his work on the development of the solar ovens and the solar steam engines. Please write down the main points of the story, in your view, and discuss about them in your group. (Indicative important points of the story: the description of Mouchot's device for the exploitation of solar energy
