 Listen

Is a free test training in the fitness club CampusFitness® possible?

A free test training in the fitness club CampusFitness® is not possible. We do have day passes though.

Can I pay with credit or debit card at the vending machines?

No, the vending machines accept cash or German EC cards only.

Do pupils get a price reduction?

Members of the University of Flensburg only can use the student rate at the vending machines. Pupils are considered as extern user and take the extern rate.

Can I begin my training in the class program any time or at the start of the semester only?

The class program runs throughout the whole year. You can begin any time. A later start does not reduce the price of the pass.

Is the class program pass valid for one class only, or can I visit as many classes as I want?

The pass for the class program is valid for the complete program. You pay once and can then visit as many classes as you want. You can even take part in several classes a day.
