Study in Schleswig-Holstein

Study Buddy

Study Buddy is a mentoring-program for international and German students, with the intention to encourage the contact and exchange between international and German students and so the intercultural life at the universities of Schleswig-Holstein. Two students (international & German) get in touch due to similar interests and languages. The Study Buddies meet in their free time and do, what is fun for them. They decide, how often they want to meet. There are also some events, in which Study Buddies can join all together.

Professional recognition

Recognition in Germany

Refugees may also find it important to gain recognition of the professional or vocational qualifications they hold in order to gain entry to the German labour market. In some cases, recognition is a mandatory prerequisite to work in certain professions. "Recognition in Germany" has collated the relevant information and services relating to how such professional recognition can be obtained.
