Studies and teaching

» Listen

The Department of School Education is actively engaged in all courses of study.

The link titled "*Departmental study-related information*" leads you to information on

- » the courses of study which are part of the partial Bachelor's degree programme "Education" and those which are part of the Master's degree programmes "Teaching in Primary Schools" and "Teaching in Common Schools",
- » the up to date schedule of lectures
- » internships,
- » e-learning
- » and other study-related information.

The Link "advice on academic work" provides useful tips on how to prepare final papers.
