## Sport classes

▶ Listen

The sports program of the European-University of Flensburg contains 200 sports classes per week. Besides members of the European University and the Hochschule Flensburg, guest are welcome to participate in the program. The class schedule takes place throughout the whole year, it is possible to start at any time.

Please click on one of the type of sports in the left column.

Please note: Current class schedules are only available in the German version of this site.
