DIREPA DICOME discourses of commemoration in media

» Listen

The project DIREPA DICOME discourses of commemoration in media is dedicated to the commemoration of Europe's conflict-laden past in (social) online media. Through the participation of lecturers, students, journalists and representatives of civil society in the project activities, media competencies are acquired, national / European memory cultures and historical policies are reflected upon, and critical analytical thinking with regard to discourses on the past is promoted.

Keywords

Media studies, media discourse analysis, memory cultures, European studies
