To whom it may concern

Flensburg,

Letter of recommendation

Dear Sir or Madame,

This is to certify that Mr/s
(Matriculation No.) is presently enrolled for M.Eng. postgraduate study course "*Sustainable Energy & Development*" at the University of Flensburg/Germany.

The 18 months international course is for experts with at least 2 years of working experience in the field of development collaboration with a focus on Sustainable Energy Systems and Management.

Within the study period a project-oriented field research is included as a basis for writing the Master Thesis.

Participants of the course are responsible to identify partner organisations, propose their research project and organise their research term on their own.

Your organisation is kindly requested to assist the M.Eng. student under organisational aspects as well as in the supervision of the fieldwork during the study period of April to August.

Yours sincerely

.....
