Klimaneutral

01 | General information

Step 3: Prepare

 Listen

Are you planning a student exchange under special circumstances? Want to travel sustainably? Interesting in finding funding for your stay overseas? Discover the options - and gear up for your great adventure!

Studying abroad under special circumstances

Students with disabilities, chronic illnesses, or children often face unique challenges when planning a mobility abroad. If that's you, drop by our office hours! We're here to help you overcome these hurdles and inform you about special funding and support opportunities. And if you're a first-generation college

Funding options

When planning a semester or internship abroad, it's important to check out the various funding options early on. Above all, pay attention to the application deadlines. In this section, you'll find the most important funding opportunities at a glance.

ERASMUS+

PROMOS SCHOLARSHIPS

BAFÖG GRANTS FOR STUDIES ABROAD

STUDENT LOANS

OTHER FUNDING OPTIONS

Student financial aid for study abroad (Auslands-BAföG) is state financial support for students who want to do an entire degree program (EU countries/Switzerland) partial study or an internship in European and non-European countries. The following applies:

Internships and short stays abroad

 Listen

Going abroad for a shorter period of time is possible within the framework of an internship, a language course, a summer school or foreign language assistance.

For tips on preparation and experience reports, check out the DAAD Correspondents website.

<https://www.uni-flensburg.de/en/international/going-abroad/internships-and-short-stays-abroad>

- Self-organized internships in EU countries, Turkey, Norway, UK, Liechtenstein, Serbia, North Macedonia, Iceland
- For matriculated students and graduated students (within the first 12 months of graduation; approval of application must be completed before the end of the studies/exmatriculation)
- Current internship offers e.g. on <https://erasmusintern.org/> and <https://www.uni-flensburg.de/international>
- Internship duration: min. 60 days
- Funding depending on destination country 640€-750€/month for 60, 90 or 120 days
- Top-ups for students with chronic illnesses, disabilities, child(ren), working students, first-time graduates (€250/month) and green travel (€50 + travel days)
- Application at any time, at the latest 2 months before the start of the internship - the earlier, the better
- [Information and application portal](#)
- Contact person: Merle Struve, HEL 034

03 | PROMOS internship

- Self-organized internships outside Europe
- Not for internships that are eligible for funding through other DAAD programs
- For matriculated students
- Internship duration: at least 6 weeks
- Funding of €350, €450 or €550/month depending on the country
- Application for additional financial support possible for students with disabilities or chronic illnesses
- Application by January, 1 and June, 1 (with internship confirmation)
As the funding for 2024 has already been exhausted, there will be no second application round on 1 June 2024

05 | Semester abroad

- You can go abroad during your BA **and** your MA
- Application period (for spring semester 2025): **until 20.05.2024**
- [Information and application portal](#)

Step 2: Apply to go abroad

[Listen](#)

Have you made up your mind to go abroad for a study semester, internship or language course? Then your next step is to apply!

For an internship, freemoving, a language course or other shorter stays abroad, apply directly to the institution where your stay will take place. For a semester abroad at an EUF partner university, apply online to the International Center in the academic year before your stay abroad.
