### YOUR PERSONAL EXPERIENCE

---

<b>How did you prepare for the semester abroad? What should be organized in advance?</b>	Had to do my residence permit months in advance. prepped danish for duolingo.
<b>Where did you live and how did you find your accommodation (self-organized/provided by host university, dormitory/private etc.)?</b>	Dorms at HCO. University provided accomodation to internationals
<b>Did you participate in events for exchange students? How did you establish social contacts in other ways?</b>	Yes. Danes are good at english which made it easy and there were a lot of events at the dorm.
<b>How satisfied were you with the host university (facilities, staff etc.) and the course offer (workload etc.)?</b>	I really liked the university and the staff were helpful. The exam system was particularly stressful and I struggled with that.
<b>Did you learn the local language? How important was the language for your stay?</b>	I did not really learn it because everyone spoke English and I struggled speaking Danish
<b>What intercultural experiences/skills have marked your stay?</b>	Danes know how to party

**Which perspectives on your host country/home country have changed - and why?**

Denmark has a pretty substantial drinking culture

**How was your everyday life (leisure, shopping, transportation, inclusion etc.)?**

not much because Denmark is expensive and the funding was not increased for my stay

**How did you manage financially? How much did you spend on visa (if applicable), travel, accommodation (per month), living expenses, leisure activities, other expenses (books etc.)?**

barely. Because the funds did not increase (because inflation only goes up in jumps and not gradually, right?) I lived on the bare necessities and did not travel around or engage in anything that incurred a cost.

**What was your best/worst experience? Is there anything else you would like to share?**

The people were great but the exams were particularly brutal

**Would you recommend a semester abroad at your host university? For what reasons?**

It depends. I got lucky with my dorm but if it wasn't for that I probably would not have enjoyed it nearly as much.
