Study program at EUF B.A. European Cultures and Society

Subject 1 (only applicable to teacher training students)

Subject 2 (only applicable to teacher training students)

Subject 3 (only applicable to teacher training students)

Host country Poland

Host university Uniwersytet Jagielloński

YOUR PERSONAL EXPERIENCE

How did you prepare for the semester abroad? What should
be organized in advance? I talked to students who were already doing semester abroad in Poland.

Do you have any recommendations for environmentally
friendly travel (if applicable)? Travel to Poland is very simple with the train.

Where did you live and how did you find your
accommodation (self-organized/provided by host
university, dormitory/private etc.)? I lived in the shared apartment that I found in Facebook Erasmus group for
Poland.

Did you participate in events for exchange students? How
did you establish social contacts in other ways? I participated in the events for exchange students, or I met people during
university lectures.

How satisfied were you with the host university (facilities,
staff etc.) and the course offer (workload etc.)? I was very satisfied with the facilities, they were new and modern. The
administration staff was very helpful, and the professors were encouraging. The
workload was more than at EUF, since attending lectures is mandatory.

Did you learn the local language? How important was the
language for your stay? I did not go further than A2 level. For Krakow, English language was enough.

What intercultural experiences/skills have marked your stay?	Traveling with other international students, learning about different culture.
Which perspectives on your host country/home country have changed - and why?	Poland is a country with beautiful nature and many places to visit. Krakow was modern and foreigner friendly.
How was your everyday life (leisure, shopping, transportation, inclusion etc.)?	I spent a lot of time with my roommates. In Krakow there is offer for a lot of leisure activities, such as going to cinema, concerts, doing cooking classes.
Do you have any recommendations for a sustainable stay abroad (projects, initiatives, everyday life)?	/
How did you manage financially? How much did you spend on visa (if applicable), travel, accommodation (per month), living expenses, leisure activities, other expenses (books etc.)?	My room in shared apartment costed 250 euro. traveling with the train was not expensive, and through Poland I had students public transport ticket, which is giving 50% off on all public transport.
What was your best/worst experience? Is there anything else you would like to share?	/
Would you recommend a semester abroad at your host university? For what reasons?	I would recommend it, since there is a lot of international students and university is paying attention that courses are firing for everybody.

PHOTOS
