

Your way abroad

in a master program

INTERNSHIP

With an *internship* abroad, you have flexibility with your time as you determine the time. Pay attention to the **study regulations** if you are doing a mandatory internship. If you have an internship, please contact us regarding the financing possibilities: *ERASMUS* within Europe, *PROMOS* outside Europe and Lehramt. International for Educational Science.

2ND SEMESTER

Your on your way:

- First contact with the university abroad
- You get information about financing possibilities (*ERASMUS*, *PROMOS*)
- Prepare for your trip

4TH SEMESTER

You continue your studies:

- You return with many new experiences and new perspectives. You continue your studies and write your master thesis.

1ST SEMESTER

You want something special as part of your masters degree.

- Decide if you want an internship abroad or study abroad
- You apply for a place at a university abroad between November and January

3RD SEMESTER

Your semester abroad:

- New places
- New friends
- New experiences
- A wonderful semester abroad
