

Diagnostic and Remedial Teaching

Model type:	Mandatory
Module Number:	108000900
ECT credits:	5
Hours per week:	2 hrs.
Semester:	From the 3rd semester
Frequency:	Begins every semester
Length:	1 semester
Time in Attendance:	30 hrs.
Self-Study:	120 hrs.
Total Workload:	150 hrs.
Qualification goal:	The students obtain basic knowledge in the field of pedagogical diagnostics and on this foundation can evaluate the quality of diagnostic information in a scientifically justified way. They understand the connection between pedagogical diagnostics, the application of pedagogical methods in the classroom and individual support. They can use the findings from diagnostic data sources to justify pedagogical action and have basic knowledge of fundamental evidence-based support methods.
Professional Competence:	Knowledge of pedagogical-diagnostic quality criteria, basic knowledge of the advantages and disadvantages of various diagnostic methods and evidence-based pedagogical support.
Methods Expertise:	Ability to evaluate and select diagnostic procedures and pedagogical support methods on an individual-problem basis.
Social and Self Competence:	Be able to appropriately classify the importance of individual diagnostics and support for school development. Ability to obtain scientifically sound information from the relevant specialist literature.
Teaching methods:	Lectures, text work, moderated discussion, case analyses, project-related work in small groups
Module Coordinator:	Prof. Dr. Armin Castello

Prerequisite for participation:	None
Module Category:	B.A. Educational Sciences
Notes:	None

Module Components

Module Component 1- Pedagogical diagnostics and support

Module number:	108000901	Learning method:	Seminar/ tutorial
Hours per week	2 hrs	Attendance time:	30 hrs
Type of module:	Mandatory	Self-study:	30 hrs
Planned Group Size:	40	Total workload:	60 hrs

Module Component 2- Exam

Module number:	108000905	Notes	none
Type of examination:	Examination performance in the form of various other media	Exam preparation:	90 hrs
Graded examination:	yes	Exam Length:	-
