## Declaration of Acceptance

I hereby accept the offered study place at (name of university)

\_\_\_\_\_ in \_\_\_\_\_.

**I understand that this acceptance is binding, and that the study place I accept with the submission of this completed form cannot be made available to other applicants at a later date. A report on the study term at the partner institution must be submitted at the end of the study term abroad.**

I hereby reject the offer

**1. Please enter your personal data (in block letters) here:**

Last name, first name \_\_\_\_\_

Study programme \_\_\_\_\_

\_\_\_\_\_  
**Date and signature**

**2. Declaration of consent for the nomination at the partner university**

I agree that my data (name, date of birth, nationality, gender, address, e-mail address, subject, semester, proficiency level, level of the required language) may be passed on to the partner university for nomination purposes.

I am aware that, in the case of partner universities located in a country outside the European Union, there may be risks associated with the transmission of data and that the country concerned may not offer an equivalent or adequate level of data protection. Such risks might entail a lack of legal protection (rights of data subjects), the further processing of the transmitted data without regard for the contracted purpose, failure to apply the principle of the necessity when processing personal data, and/or the lack of state control mechanisms (e. g. independent data protection supervisory authorities).

If you refuse to give your consent, you cannot be nominated at the partner university.

This consent may be revoked at any time with future effect. If the transfer has not yet taken place at the time of cancellation, you can no longer be nominated at the partner university. The revocation must be submitted in writing to the above address.
