Modul 38a Elective Module 753003420	5	every 2nd semester (spring term)	2 hrs/week	150 h	30 h	120 h	1 Semester
Module title	El Mundo Hispanohablante						
<p>The aim of the course is to facilitate the process of formation and development of students in an international environment for an excellent professional and cultural preparation, with a genuine knowledge and positive intercultural experience knowing and recognizing the cultural traits between the Spanish-speaking world (with a focus on Latin America and the Caribbean) and their world of origin (with usually Germany or the EU/Europe as basis) .</p> <p>We consider especially desirable the instrumentation of strategies that propitiate a meaningful mental participation and practice on the part of the students, which moves them to think, to solve authentic problems, to express themselves critically and creatively, to transfer their knowledge to new situations, to promote learning skills, to develop a deep understanding of the world, to develop knowledge of themselves and of others, to be socially and ecologically responsible, to be responsible and commit to human values.</p>
