

Bachelor of Arts		International Management					
Module 44a Elective Module 753003440	ECTS	frequency	contact hours	total workload	contact time	self-study	duration
	5		2 hrs/week	150 h	30 h	120 h	1 Semester
Modultitel		Topics in Area Studies: Latin America					
<p>The module allows students to deepen or expand their region-related knowledge and skills. This enables them to prepare themselves specifically for tasks in connection with the region on the basis of the detailed study of individual aspects in the chosen region of specialisation (for example in the area of human resources, marketing, tourism or logistics) or the in-depth study of a country in the region. If they decide to expand their knowledge of the region, the extent to which they can be used in the labour market.</p>
