Module 12	ECTS	frequency	contact hours	total workload	contact time	self-study	duration
Elective module 151122090	5	every 2nd semester (fall) (Herbst)	2 hrs/week	150 h	30 h	120 h	1 Semester
Module title	<b>Entrepreneurship: Theory and Practice</b>						
<p>- Through an intensive written examination of a concrete problem with practical relevance in the areas of strategy, organisation and/or entrepreneurship, students learn to develop their own results.</p> <p>- By discussing the relevant topic in plenary sessions, students learn to present, defend and critically deal with their results.</p> <p>Within the framework of this course, various current topics from the fields of strategy, organisation and entrepreneurship can be the focus of interest. It is crucial that the students in this seminar deal intensively with a complex of topics that has a clear practical relevance.</p>
