

# EMERGE UDC Open Career Days June 2026

## “Boosting careers for junior researchers and professionals”

The EMERGE Alliances is launching its first Career Days for young researchers in **A Coruña (Spain)** this June. The Career Days are designed to provide early career researchers with training and counselling opportunities as well as networking events with potential employers to help boost their future careers inside and outside academia.

### Where/When:

Virtual part: tba

On-site part: 22-26 June 2026 (Universidade da Coruña, Spain)

### Who can join?

→ Master students, PhD candidates and postdocs from the EMERGE partner universities

→ EUF can nominate 4 participants

### What is it about?

Early career researchers (master students, PhDs and postdocs) will present their research work, meet potential employers, upgrade their soft skills and receive professional counselling from representatives from the industry sector, civil society, governments and academia.

### Program details:

→ [Tentative program](#)

### Why should you go?

→ Gain valuable skills that will make a real impact in your academic career

→ Collaborate with mentors and peers from multiple universities

→ hands-on workshops and networking opportunities

### Funding:

Participation in the Career Days will be funded by Erasmus+.

### Application deadline:

1 May 2026

## Application procedure:

### Required documents for Master's students:

- CV (max. 2 pages), including previously attended further trainings (if applicable)
- Transcript of records (or Bachelor's degree for 1st semester Master's students)
- Proof of matriculation

### Required documents for PhD students:

- CV (max. 2 pages), including previously attended further trainings (if applicable)
- Motivation letter (1/2 page)
- Formless letter of support from your supervisor/superior
- **Please compile all the required documents in one pdf file.**

### Apply online:

- **Master's students:**  
Please apply through the [Erasmus+ portal \(short-term mobilities for Master's students\)](#) and upload the required documents (see above).  
In section „Mobility type“, please select option “1 = Individual short-term mobility”.
- **PhD students without employment at EUF:**  
Please apply through the [Erasmus+ portal \(PhD without employment at EUF\)](#) and upload the required documents (see above) compiled in one pdf file in the section “learning agreement” (note: you will need to upload the actual learning agreement once you'll be informed about successful application).
- **PhD students and postdocs with an employment contract at EUF:**  
Please apply through the [Erasmus+ portal \(PhD and postdoc with employment at EUF\)](#) and upload the required documents (see above) compiled in one pdf file in the section “informal approval (e.g. e-mail) from your supervisor / Befürwortung des Vorgesetzten”.
