

# Winter School.

*“Intercultural Education  
in a Nutshell”*

Participation is  
free of charge.

In a one-day international digital Winter School, you can experience intercultural education in a nutshell and meet students from around the world. Lecturers from teacher training in Finland (Jyväskylän yliopisto) and Germany (Europa-Universität Flensburg) offer one-hour interactive workshops and talks on different aspects of intercultural education.

## Why you should not miss out this Winter School:

It will...

- give you an idea about different views on education,
- raise your awareness on intercultural topics in education,
- sharpen your critical thinking,
- develop your intercultural empathy and
- give you an opportunity to exchange ideas on intercultural education with leading scholars in different fields and with fellows.

 Nov 27, 2020
