

The background features a blue sky with white clouds and three white birds with black wingtips. Below the sky is a bright yellow and orange gradient representing a sunset or sunrise. At the bottom, there are stylized waves in various shades of blue.

# SUMMER SCHOOL 2022

**THE CHANGING ROLE OF  
EDUCATION IN EUROPE**

08/08 - 12/08

Partners  
in  
Mobility

Dear teacher education students,

you are looking for a possibility to learn more about how education in Europe is changing? Then we have an attractive offer for you: The project *Partners in Mobility* invites you to participate in our Summer School on the topic "The Changing Role of Education in Europe" from 8-12 August, 2022. The Summer School will take place on the campus of Europa-Universität Flensburg and the city of Flensburg, Germany. Together with lecturers from University College South Denmark, Linköping University/Sweden, Jyväskylä University/Finland, Eötvös Loránd University TÓK/Hungary and Europa-Universität Flensburg/Germany, we will look at the topic from different perspectives. In addition, language tasters and an exciting leisure programme await you offering the opportunity to get in touch with international students and to jointly experience together the cosy city of Flensburg with its picturesque harbour and beaches close to the city.

We look forward to meeting you in August,  
your *Partners in Mobility* team

Application until 1 June, 2022:
