

Information for teachers

Title: „Indri“ the Lemur

Author: Marny Marron

Class: primary school

Duration: 90 minutes

Didactics

Background - meaning - life world reference

The Indri belong to the lemurs, the wet proboscis monkeys, endemic to Madagascar. They are endangered. The IUCN (International Union for Conservation of Nature and Natural Resources) has classified the Indri as "critically endangered". To conserve these animals, it is important to spread information about this problem. For their protection, protected areas have been established.

Learning to learn

- Development of content based on text sections in individual work. Competence, self-competence
- answering questions after each section of text in partner work. **Methodological skills, technical competence, deepening, social skills**
- Comparing the results after each section in the plenary session. **Self-competence, expertise**

Methodology

Students are given worksheet 1. They read the information text and then answer the questions below in partner work. The responses are compared in class and the students have the opportunity to present their results. Next, they are given Worksheet 2. As extra material here, the teacher can play a video to illustrate the content: <http://www.arkive.org/indri/indri-indri/video-06.html>. Worksheet 3 also involves a video: <http://www.arkive.org/indri/indri-indri/video-13a.html>.

Outline

Time	Didactic intention	Classroom activity	Media	Social form
		welcome		
5 min	development	Read and understand a text	worksheet 1	individual work
10 min	consolidation	Answer questions about the text	worksheet 1	partner work
5 min	consolidation	Comparing the results in plenum	worksheet 1	class discussion
5 min	development	Read and understand a text	worksheet 2	individual work
3 min	illustration	Show a video	Projector and speakers	
10 min	consolidation	Answer questions about the text	worksheet 2	partner work
5 min	consolidation	Comparing the results in plenum	worksheet 2	class discussion
5 min	development	Read and understand a text	worksheet 3	individual work
3 min	illustration	Show a video	Projector and speakers	
10 min	consolidation	Answer questions about the text	worksheet 3	partner work
5 min	consolidation	Comparing the results in plenum	worksheet 3	class discussion
5 min	development	Read and understand a text	worksheet 4	individual work
10 min	consolidation	Answer questions about the text	worksheet 4	partner work
5 min	consolidation	Comparing the results in plenary	worksheet 4	class discussion
