Centre for
European Studies

Agenda

1. Ph.D. – some basics
 - Supervision
 - Monograph or cumulative dissertation thesis
 - Different schemes and funding options
2. Promotion of Early Stage Researchers at ICES
3. Perspectives after the doctorate within and outside the university

1. The PhD

Demonstration of an independent scientific work

- Dissertation: independent scientific achievement and providing new advances in knowledge (monograph or a cumulative dissertation).
- An oral examination (disputation)

1. The PhD

The EUF awards the following doctorates:

- Doctor of Philosophy (Dr. phil.)
- Doctor of Economics (Dr. rer. pol.)
- Doctor of Philosophy (PhD)

Bi-national Doctorate:

- Doctorates can be carried out jointly between the EUF and other universities.
- Requirement: individual cooperation agreement between the two partner institutions

1. The PhD

Graduates of universities, scientific universities or universities of applied sciences who hold one of the following degrees can be admitted to the PhD program:

- Master
- Magister/ Diploma
- or state examination

The doctoral procedure at EUF comprises the following procedural steps:

- 1. supervision agreement
- 2. application for admission to the doctoral procedure
- 3. registration as a doctoral student
- 4. application for admission to the doctoral examination
- 5. publication of the dissertation

1a) Supervision

Doctoral studies are always supervised by a professor.

At the beginning of the doctorate there is an agreement on supervision.

Intensive academic exchange including decisions on

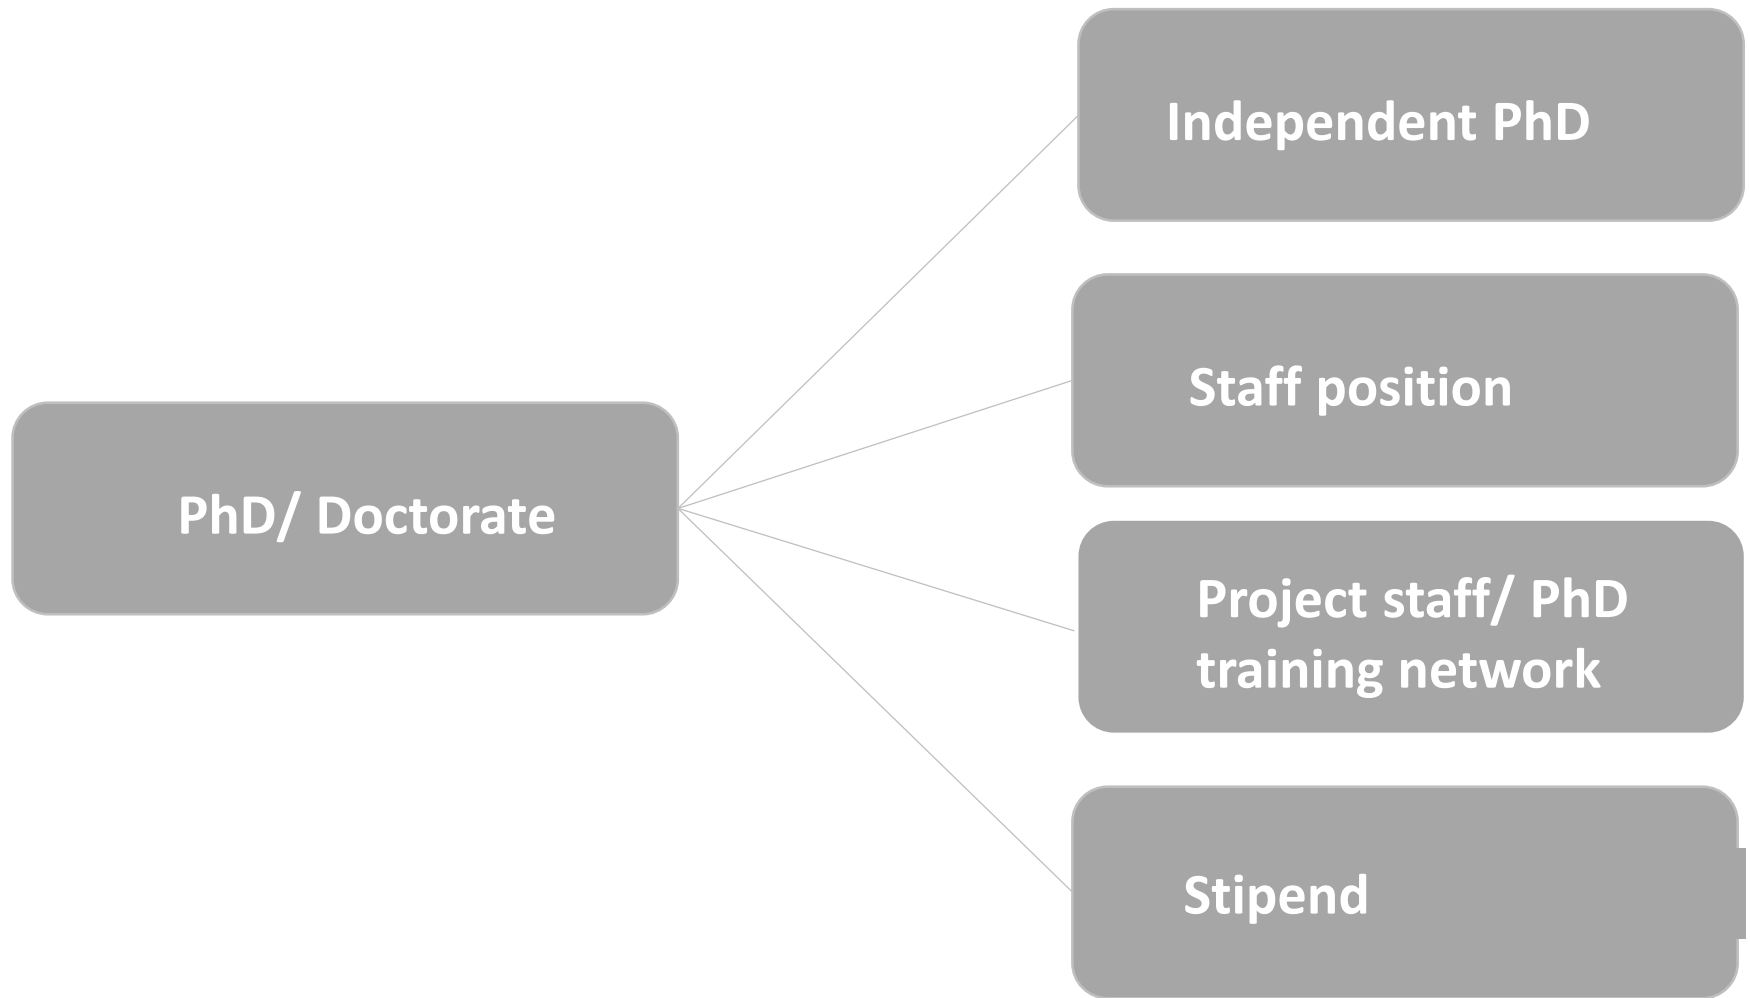

- the research question
- Research design and theory
- and time of submission
- Second supervisor/ review board
- Type of dissertation

1b) Monograph or cumulative dissertation?

The doctoral regulations of the university define which option is permitted.

1. Monograph: A dissertation in which the results of the doctoral candidate's work are presented in a single work.
2. Cumulative doctoral thesis (or publication-based doctorate): a collection of several scientific publications (which are published in the course of the doctorate), which in their entirety represent an equivalent achievement to a doctoral thesis and are combined at the end into a collective work.

1c) Different PhD models and funding options

Außenwirkung

Innenwirkung

Forschungsförderung, Vernetzung,
Nachwuchsförderung

ICES is one of the two core research centres of the EUF

Goals of the Center:

- **Internally:** ICES supports university staff in all matters related to the strengthening of European studies
- **To the outside:** ICES works towards being an internationally renowned place for interdisciplinary European studies, networking with academia, politics and society

→ The element that connects us is not disciplinary affiliations but research on European-related topics. This provides manifold opportunities to promote innovation and synergies in thematic cooperation

Research Centre for Education, Teaching, School and Socialization

ZeBUSS is one of the two core research centres of the EUF

Main Goals of the Center:

- **Research Funding:** ZeBUSS supports university staff in all matters related to the strengthening of studies and research in the field of education, teaching, schools and social conditions.
- **Promotion of early stage researchers:** ZeBUSS supports PhD students and Post docs in all matters of scientific advancement.
- **Networking:** ZeBUSS connects researchers and researches of EUF within our own university as well as in national and international discourses.
