

DokNet General Information

21th of January 2022

Who does their
PhD and what
does DokNet do
(to help)?

PhD in Flensburg

Working as research assistant (and teaching)

- Wissenschaftliche:r Mitarbeiter:in
- has also to enroll as **PhD student**
- represented both by working staff representatives as well as students' parliament
- usually present on campus (provided there's no pandemic)

PhD students/doctoral students

- might not be on campus most of the time
- might be on campus and might be teaching as well
- should be represented through the students' parliament – but there is no representative for their respective needs

What does DokNet do?

Network

- connect with other PhD students in Flensburg
- regular events to get in touch (virtually), e.g. LunchBreak
- academic exchange in regular events and presentations
- mailing list for workshops, summer/winter schools and seminars aimed at early stage researchers
- space for all members to engage in their own networking activity ideas
- platform for exchange on needs of PhD students at the EUF

Representation

- bringing concerns and issues regarding PhD students into certain EUF committees
